

March 2016 News

EVENT OF THE MONTH

Wednesday March 9, 5-7 pm: our fifth annual Truckee Kickoff Party will include a no-host cocktail party plus slide show of latest Bikeway news—especially the new \$2 million grant to finish the connection between Truckee and Reno. We'll be at Moody's Restaurant (banquet room) and if you bring your 2016 Century Circle gift (\$100 or more) we'll buy you a beer or wine.

WINTER TRAIL DAMAGE

	
<p>Due to recent rains and earthquakes, some LARGE rocks have fallen on the trail near Floriston and near the Puny Dip railroad trestle. We appreciate Debbie Baldwin and Eric Lerude for reporting these locations! We always can use more eyes and ears! Please notify tahoepyramidbike@aol.com of any damage you see.</p>	<p>Repairs will be done in late April—please don't try to move these behemoths yourself!</p>

PEOPLE NEWS

Several ongoing partnerships help the Bikeway....

- Our 2016 pocket trail guide was published thanks to the generous donation of printing by Blue Moon/Swag, and beautiful design work by the Pond Collective of Truckee.
- Several hiking groups enjoy the Bikeway with regular outings—you can find them online by Googling or go to Meetup.com: Reno Bike Hikers, OLLI (Osher Lifelong Learning Institute), and Sierra Club's Easy River Walk Series on Monday evenings.
- Cycling clubs have rides on the Bikeway. Try these: Procrastinating Pedalers, Reno Wheelmen, Reno Cycling and Fitness.
- The 86 volunteers who helped the Bikeway in 2015 and are now proudly wearing their burgundy t-shirts. Thank you!
- The Edible Pedal shares the proceeds from its autumn century ride each year, to the tune of \$1,000!
- The Reno-Tahoe Odyssey similarly donates \$1,000 from its ultra distance relay run each year with the Bikeway.
